

Our business is growing every day and much of our success has been based on personal recommendations and referrals. We value these relationships greatly and recognise your loyalty in referring candidates to us.

To say 'thank you' for the ultimate compliment of recommending us we have introduced a Candidate Referral Scheme. For each and every new\* applicant you introduce to us\*\* who then completes a minimum period of work\*\*\*, we say thank you by offering £200 in cash or vouchers of your choice.

What's more, there is no limit to the number of people you can introduce. You don't even have to work for us to qualify!!! It's that simple!

If you know someone who would like the opportunity to work with industry leading businesses and find a fantastic position anywhere in the UK then get in touch.

Once you have received permission from your referral, contact your consultant on the number below with your details and the contact details of the person you wish to refer and leave the rest to us!
